

MCCS2023 Database Release Agreement

NON-EXCLUSIVE LICENSE AGREEMENT

This Non-Exclusive License Agreement ("Agreement") is made between the Liu Li Research Group (LLRG) of Hong Kong University of Science and Technology (Guangzhou) and Shenzhen Research Institute of Big Data (SRIBD), The Chinese University of Hongkong, Shenzhen (CUHKSZ) and _____.

(Please fill in the name of your research group or laboratory on the line.)

The MCCS2023 database was constructed by Liu Li Research Group of Hong Kong University of Science and Technology (Guangzhou) and Shenzhen Research Institute of Big Data (SRIBD), The Chinese University of Hongkong, Shenzhen (CUHKSZ). MCCS2023 dataset aims at aiding research efforts in the area of developing, testing and evaluating Cued Speech recognition and generation algorithms. The images, videos, and annotation files in this dataset will be publicly available, but for RESEARCH PURPOSE ONLY. Liu Li Research Group is serving as the technical agent for the distribution of the database and reserves the copyright of all the data in the database, including all the images, videos, and text files.

The Licensee's researchers who request the MCCS2023 database must sign this non-exclusive license agreement and thereby agree to obey the restrictions listed in this document. Failure to observe the restrictions might result in access being denied for the request of the future version of the MCCS2023 database and being subject to civil damages in case of publication of images and other related data that have not been approved for release. The researcher(s) agrees to the following restrictions on using the MCCS2023 database:

1. This agreement grants a non-exclusive, non-transferable, revocable and limited license to the Licensee to use the Dataset *for the purpose of undertaking the Licensed Research Activity only, NON-COMMERCIAL USE*.
2. *Any data, including but not limited to the images, videos, text annotation files in the database, will never be released in commercial materials, newspapers, or other public media.* The data will be used for the purpose of academic researches only.
3. *The MCCS2023 database, in whole or in part, will not be used for any commercial purpose in any form,* including but not limited to using the whole or part of the data for sales, product promotional activities, and/or for training algorithms or other technology that is used or is intended to be used for commercial use or sold as or incorporated into a commercial product.
4. *The database will not be re-distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not.* This includes further distributing, copying or disseminating to a different facility or organizational unit in the requesting university, organization, or company. *The Licensee shall not make or permit anyone to make any copies of the whole or any part of the Dataset without the prior written agreement with LLRG.* The Licensee shall not sub-license the whole or any part of the Dataset or make the Dataset available for any use by third parties without LLRG's prior written consent.
5. *The Licensee shall avoid using part of the data where the identity of individuals is readily recognizable from such part* either as a stand-alone extract or where combined with other materials (including images, text, content analyses, summaries or interpretations).
6. On request from SRIBD, the Licensee shall provide (and if applicable shall ensure that any sub-contractors and agents shall provide) the LLRG with such access (including access to such parts of the Licensee's and any sub-licensee processes and systems that are used for processing the Dataset) as *LLRG may reasonably need to review the use of the Dataset within the terms of this Agreement.*
7. The final explanation of this agreement refers to LLRG and SRIBD.
